

FISCAL NOTE

SB 2802 - HB 2677

February 4, 2000

SUMMARY OF BILL: Provides that any governmental agency or entity required to produce electronic data, or maps and papers through a GIS project may impose a fee for production of such information. Specifies that the fee shall reflect the cost of developing and maintaining the electronic data.

ESTIMATED FISCAL IMPACT:

Increase State Revenues - Not Significant / Permissive

Increase Local Govt. Revenues - Not Significant / Permissive

Assumes to the extent they choose to impose fees, the state and local governments will experience increased revenues from fees collected for the provision of the information addressed in the act. The annual increases are estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
